Building & Grounds Committee Meeting

April 14, 2025

Minutes

Meeting was opened with prayer at 2:00 PM.

Brightview representatives were present and were questioned about several problems. One was a couple of dead bushes in front of 706 Freemason's Dr. and some questions concerning the state of weed-eating between several of the houses here. They have promised to do better.

Old business:

1. Joel is presently getting estimates for the traffic arrow project he has proposed.
2. Open work orders are at 59.
3. There are still a couple of tripping hazards on some of the walkways. Joel is following up on those.
4. Curb pressure washing will continue this month.
5. We are supposed to be getting a quote on the repair of the damaged curb at the parking lot at the end of Fraternity Dr.
6. The tree planting along Spring Garden has been put on the 2026 budget wishlist.
7. The woodworking shop has been paused, there is a little interest on the Forge in downtown Greensboro.
8. The Gazebo is still on the 2025 wish list but we had no answer on whether or not it would be done this year.
9. Designated golf cart parking in front of the Wellness Center is working well. Please let security know if you see any car parking in those places.
10. Transfer switches have been received for the CWC generator and the project should be completed in June.
11. Window and carpet cleaning is available. Since Robert Reece is no longer with us please just do a work order for this.
12. Front Gate work is completed and is working properly.
13. Guard rail along the side of AL Building has been painted.
14. New signs for IL golf cart parking, visitors and resident parking have been installed.
15. Patel has set recycling program and bins have been distributed.
16. Next meeting Monday, May 12, 2:00 pm.

Upcoming projects:

1. Pressure washing of curbs.
2. CWC generator installation.

Respectfully submitted

April 24, 2025 Residents Council Meeting

Campus Care Alliance report:

Connie Burbank, Co-chair and Cathy Long, Co-chair (unable to attend today)

Areas of responsibility:

1. To promote access to quality health care and continuity of health care in a safe environment.
2. To encourage collaboration between staff and residents to support person-centered care, resulting in resident satisfaction with all WhiteStone health care services.
3. To act as liaison between residents and WhiteStone staff who provide care in the Care and Wellness Center (CWC) and Resident Health Services (RHS).

Issues:

1. We have meetings on the 3rd Tuesday of each month to hear reports from the CWC and Resident Health Services. We discuss on-going concerns that may arise and seek resolution.
2. We often have an educational presentation of interest to the members.
3. Our goal of the year is to explore areas of overall culture of health care at WhiteStone, particularly of the Care and Wellness Center

Questions?

Next meeting: May 20, 2025 at 10:30 in the lower-level education room of the Assisted Living wing of the CWC.

Activity Committee Meeting Report to Resident Council on Thursday, April 24th, 2025

Opening Statement and Important Information

- Hollis Presson explained her daily duties and her role in the CLS Department.
- Family Day is cancelled on May 10th, we will be moving it to Fall 2025.
- Uniguest has performed a service update that will prevent slow service for the foreseeable future. If you have any issues still, reach out to Larkin via email lpna@meshhome.org or call 336.547.2912.
- Biltmore Trip – We'll be going in November, Overnight and Tutankhamun (King Tut) Exhibit– Deadline to Sign Up is April 25th, 2025.
- CLS Suggestion Box – Module in between “Forms” and “Worxhub Work Orders” – Allows for IL Residents to make suggestions on Outings, On-Campus Activities and Events, Presenter Guidelines, and holds a list of current requests from Residents.

Activity Highlights for April

- Monday, April 14 – Photography: Art from Reality with IL Resident, Bob Kelly at 6:30 PM in the Fellowship Hall*
- Monday, April 21 – Golden Groove Night with Randy Gant (from Security who plays the Saxophone) at 6:30 PM in the Fellowship Hall

*Livestream has been Uploaded to Uniguest

Respectfully Submitted: Annette Cuzzo, Chair

Next Activity Meeting is Thursday, May 8th, 2025, at 11:00 AM in the Linville Arts & Crafts Room – Page 1

CWC and AL Auxiliary Committee Minutes
Linville Arts and Crafts Room
4/14/2025

Attendance: Don McCrickard, Judy Covarrubias, Terry Nottage, Caroline Meuer, Judy Young, Tabbie Nance, Barbara Kreuger, Jill Jones, Paula Dille Bob Kelly, Peggy Butler

Staff: Allison LeTourneau, Misty McAden

Opening Remarks and Welcome – Don McCrickard

Prayer – Misty McAden

Meeting Items discussed:

1. Josh Hillegass, Crystal Condry and Rachel Atencio were not present due to unplanned scheduling conflict.
2. Introduction of Committee members for Judy Covarrubias and Barbara Sheldon who were both “checking out the committee.”
3. Sign-up Sheets passed out for CWC front desk in May.
4. CWC and AL resident calendars will be distributed when available. Volunteers were encouraged to attend activities to assist residents and provide support.
5. AL sign-in book: there have been problems locating the sign-in book to document Auxiliary member visits of residents in the Assisted Living. A designated place needs to be assigned. Perhaps a podium. Also, volunteers still need to mask in AL, hopefully that will change this week.
6. Front desk hours discussed. The committee discussed keeping the 3 pm to 5 pm shift sign-up for the front desk. Peggy Butler reported that arriving early for her shift went smoothly. It was determined that individual committee members are welcome to decide on their own if they wish to work extra hours and arrive early (2 pm) for their shift. The committee will not be requiring volunteers to work extra hours.

7. By-laws reviewed for accuracy of name and mission statement.

Other matters:

1. Bob Kelly reminded volunteers to complete their monthly volunteer report in addition to signing-in. This monthly report is basically trying to capture how many volunteer hours are completed each month. Details of visits are not necessary for this report because they are captured in the sign-in log.
2. Jill Jones encouraged the committee to start planning for an ice cream social when it gets warmer. This activity would be initiated, planned and performed by the Auxiliary committee, not CLS.
3. Bob Kelly enjoys being the photographer for activities but asks that he be notified in advance (a week's notice) prior to the event to be photographed.
4. The next Auxiliary committee meeting will be held at its regular meeting time (3rd Monday at 10:30 am)– May 19th at 10:30 am in Arts and Crafts room.

Meeting dismissed by Don McCrickard

Marketing & Hospitality Committee Resident Council Presentation

April 24, 2025

Bob Dellorfano, Chair

There are from 20 to 30 regular members in attendance including the Marketing and Sales Team. All residents are welcome to attend our meeting.

Our goal is to support the Marketing team in all of their efforts with a primary focus on instructing new residents on the many items included in the handbooks.

We achieve this by committee members volunteering to act as mentors (existing, knowledgeable residents) to work with the new residents.

We use a document called the mentor worksheet which ties into the two manuals (Whitestone Resident Handbook, & Resident Guide Book) that you are given upon arrival.

Each of the mentors discuss their activity with their assignees and any difficulties that the new resident encountered and work to help resolve these problems.

In March we had 2 move-ins and the assigned mentors reported any issues and required follow-up.

For the next order of business, the Marketing team, Debi, Meredith and Monica distribute the "Marketing Minute" that includes upcoming Marketing events and important statistic related to occupancy levels. Copies of this flyer are placed on the table at the hall entrance.

If help is required on any of these events, our committee members volunteer to support those efforts.

A. Upcoming Marketing Events as Noted on the Marketing Minute:

1. 4/23 Open House 2:00 PM

Residential Services Committee Resident Council Presentation, April 24, 2025

The Committee Chair is Stuart Brownlee

The Residential Services Committee covers a broad area of resources available to our independent living residents. They serve as a liaison between residents and the medical clinic and other residential services. The role of the committee is to help guide the community in the residential services provided and to determine if additional services are needed.

Until the new IT specialist is hired, I have been doing my best to help fill that role.

For the month of March, I was able to successfully resolve:

3 Wi-Fi issues

5 smart phone problems

8 computer problems

1 tv issue

2 printer issues

Other – Home Pods, portable wireless camera problems.

The number of Wi-Fi issues for the villages will continue to grow as the trees fill out and block access to the signal.

Each situation must be handled individually.

Nikki Stafford has been working on alternative solutions to resolve this problem.

In the Medical Services section of responsibilities, Randolph Clinic, our in-house primary care provider has hired two Nurse Practitioners with the intent to have one located in the IL primary care office and one in the Care & Wellness facility. Karla Stapleton will soon arrange a meet and greet for the two new employees.

We have been looking for additional nursing coverage in the evenings and weekends. We are overburdening the CWC which provides a nurse during a SARA alert or other emergency calls. Karla is looking into using an Assisted Living Nurse to help with the calls.

Karla noted that we now have a mobile X-ray and ultrasound units on campus. Billable to Medicare and with an upcharge.

The Friday Wine down location has been voted on and residents still want it held in the Rotunda rather than in Fellowship Hall. Sound deadening needs to be finished as well as setting sun issues at the top of the Rotunda windows. Frosting of the windows was proposed.

Seating is not adequate at many Fridays in the Rotunda. Some redesign was suggested by removing the circular bench area and replacing it with more tables and chairs.

A survey was sent out regarding categories of help that may be needed by residents and those willing to help in the different categories (e.g. walking a dog, a ride to an appointment and many others). There were a few residents requesting help and many others willing to help. It was decided that our Care Chain contacts be the focal point aligning the help with the need. More information about this opportunity will be forthcoming in the next few weeks.

A discussion of abusive behavior was brought up and at any time you feel or are subjected to abuse, it is not tolerated in our community and go directly to Mark Lewis, a supervisor, human resources or Archana. To report the incident.

Our next meeting is May 12 at 11:15 in the Arts & Crafts room

Spiritual Support Committee Report

1 message

Ray Hall <secy76@gmail.com>

To: Ray Hall <secy76@gmail.com>

The Spiritual Support Committee held its regular meeting April 2.

It was decided that we would continue the practice of giving gifts to mothers on Mother's Day. A discussion was held about the need for better lighting in the chapel. Due to the historic nature of the current lights it was decided to look for other ideas to improve the lighting without removing the current fixtures.

The demonstration Seder meal was held April 2 and was well attended. The committee would like to thank Elaine Gremain, Sheldon and Barbara Krueger, Alan and Anita Greenstein and Craig Wasoff for organizing and conducting the Seder. It was a very interesting and informative evening.

The next meeting will be held May 7 at 2:00 PM in the arts and crafts room.

Respectfully submitted,

Ray Hall
