

Family and Friends of WhiteStone Resident,

WhiteStone residents live a life of fulfilling and promising experiences every day. These experiences are made possible by a resolute staff of Team Members who serve all residents. They help to engender a sense of family and community. The residents express their gratitude to these staff members with words of appreciation time after time, day after day but they do not seem sufficient to express their intent.

Members of the community have developed a plan for providing a more meaningful and beneficial way of showing appreciation to those that serve them. The plan encourages residents, family and friends of residents and others to contribute voluntary donations that are distributed to those Team Members as cash awards prior to Christmas. Any team member not serving in a leadership role is eligible. Awards are based solely on the number of hours worked. The residents have enthusiastically embraced this program which has been approved by the executive board.

Because you may have or know a family member or friend who resides at WhiteStone, the Board of Directors for the WhiteStone Employee Gratitude Initiative take this opportunity to invite you to join and participate by donating to this worthy cause with the assurance that all donations are tax deductible. Your donation will have a significant impact on the lives of these Team Members and their families at this time of the year. Please send your donations to this address.

WEGI, 700 South Holden Road, Greensboro, NC 27407.

The residents at WhiteStone are grateful for any and all contributions that will help them to make a difference in the lives of those that serve them!

With sincere gratitude,

Theodore Dresie
