New Member Benefit: Financial Wellness Partnership

In October, the Foundation launched a new partnership with **GreenPath Financial Wellness**, offering **Masons, Eastern Star members, and widows** access to free and confidential financial counseling services.

Through this partnership, members can now receive:

- Personalized **financial and debt counseling**
- **Identity theft protection and recovery services**
- **Credit report reviews and budgeting support**
- Educational tools for long-term financial wellness

These services are available directly through the Foundation's dedicated GreenPath portal:

 www.greenpath.com/partner/ncmasons

This initiative expands the FFP's mission—addressing not only emotional and physical needs but also the financial well-being of our Masonic family.

We have worked closely with MESH LLC's member managers to enhance organizational governance, streamline processes, and strengthen operational procedures.
